Premier Suppliers Overview

Premier Suppliers is a privately owned company that is based in Washington, D.C. but has a presence nationally. Our organization offers a broad suite of products and services to enhance the business models and market standings of our diverse client base. Upon entering the market in 2004, Premier Suppliers specialized primarily in office products, equipment and supplies. Since then we have systemically integrated other products and services into our model. From medical supplies to consumer electronics, information technology to home improvement products, the list of services available through Premier Suppliers is exhaustive and exceptional.

Premier Suppliers comprises of the following divisions:

- ✓ **Office Products:** Complete office supply solutions for businesses of all types, sizes and locations.
- ✓ **Janitorial Supplies:** Cleaning supplies and solutions that are commonly found in business environments.
- ✓ **Medical Supplies:** Medical supplies that include cutting edge products used by some of the leading medical institutions in the nation.
- ✓ **Furniture:** Home and office furniture of some of the best-selling brands in North America.
- ✓ **Information Technology:** Information technology supplies and solutions that allow clients to operate efficiently.
- ✓ **Consumer Electronics:** Consumer electronics of all types including smartphone devices, home entertainment etc.
- ✓ **Copy and Print Services:** Offering copy and print services for all businesses.
- ✓ **Food Service Products:** Offering professional grade products that help make your operation run more efficiently and aid in increasing profitably.
- ✓ **Industrial Products:** We are a full service industrial supplier providing value added products and services to all of our customers through cost reductions and new technologies.

Mission Statement

At Premier Suppliers, our aim is to emerge as a paramount online marketplace by consistently delivering products and services that give our clients a competitive edge! We view ourselves as teammates with our customers, employees, community and environment; and we are passionate about creating jobs and business opportunities!

Product & Services Summary

Upon entering the market in 2004, Premier Suppliers specialized primarily in office products, equipment and supplies. Since market entry and solidifying our position in that niche, the core of our product model has rapidly evolved and now consists of other services including the installation of systems and other office furniture. With our position in these two business areas, we began systemically integrating other products and services into our model including:

Products

- ✓ Medical Products
- ✓ Consumer Electronics
- ✓ Information Technology Products
- ✓ LEO/Fire/EMS/First Responders Products
- ✓ Electrical
- ✓ Home Improvement Products including Window Treatments
- ✓ Copying and Printing Services
- ✓ Advertising and Novelites
- ✓ Industrial Products and Equipment

Services

- ✓ **Moving and Logistical Services:** Logistical Services include furniture management, relocation services as well as furniture installation and breakdown.
- ✓ **Mounting Services:** Television and monitor placement services as well as window treatments and smart board installations.
- ✓ **Janitorial Services:** Janitorial services including office, industrial, medical and garage cleanings.
- ✓ **Facility Management:** Electrical, plumbing, HVAC and General Contracting are all offered under this arm of services.

*** Please note that all work is completed by Certified, Licensed and Bonded Contractors.*
